MathStar, MERET and TEAMS Distance Learning
Parent Permission Form for Media Usage

TEAMS Distance Learning, MERET, and MathStar are non-profit distributed learning projects of the ET&T Division of Los Angeles County Office of Education. TEAMS, MERET, and/or MathStar requests permission to videotape your child. Your signature authorizes them to use this material in telecommunications programs and releases all rights to the material. These non-profit materials may be used for educational purposes in any manner or media.

For Photograph /Video Usage

I give permission for my child’s image and voice to be used as part of a MERET, MathStar or TEAMS Distance Learning program, which includes media (television, videotape, photographs, CD, DVD, and the World Wide Web). If students are identified, they will only be by class, first name and last initial.

Parent’s Name (please print) ________________________________

Parent’s Signature ________________________________

Student’s Name (please print) ________________________________

Student’s Signature ________________________________

Student’s School and District ________________________________

For Publishing Student Work

I grant permission for our child’s creative work to be published in a MathStar, MERET or TEAMS Distance Learning Publication. The work will appear with a copyright notice prohibiting the copying of such work without express written permission. No last name, home address, or telephone number will appear with such work. Students will only be identified by class, first name and last initial.
